Composition Requirements

A composition must have a title.

The performance time of the composition must be no longer than seven minutes. For the composition which is longer than seven but less than fifteen minutes double application fee is required. We do not accept the composition which is longer than fifteen minutes in performing time. The composition/arrangement manuscript must be a fully realized score, completely notated by the composer. The manuscript must be in the form of a computer printout or handwritten. No change may be made to the manuscript once it has been submitted.

A composition/arrangement that includes copyrighted text must be accompanied by a written statement from the copyright holder giving permission to use the text. If the text is in the public domain, a statement signed by the composer indicating this fact must accompany the entry.

Although it is *not* required, a composer may include a CD or DVD performance of the composition/arrangement with the application.

Manuscripts of the compositions and CD/DVDs will not be returned.
